

Discount Tire Valve Stem Reimbursement

If you received our **Customer Advisory Letter** or were a **Discount Tire Company** customer between **August 1, 2006 and July 31, 2007**, you may have had a defective Dill Air Control valve stem installed on your vehicle. If you have had these valve stems replaced by another installer or retailer, you may be eligible for a reimbursement.

Discount Tire will reimburse the actual cost of the replacement of the rubber valve stems (up to \$40) that were installed during the specified time.

Reimbursement process:

1. Have the valve stems replaced by a reputable installer.
2. Fill out the form below.
3. Send the **form** below and the following items to the address below:
 - Copy of the **original invoice** from Discount/America's Tire, or Discount Tire Direct (between August 1, 2006 and July 31, 2007) for the valve purchase.
 - Copy of the **receipt** for the replacement of the valves.
4. Discount Tire will mail you a reimbursement check for the actual cost of the valve replacement (up to \$40) within 4-6 weeks of receiving your information.

As always, we appreciate your business and value your loyalty. We apologize for any inconvenience this may cause.

Thank You,

Discount Tire Company
